VNSGU (2024)- (CGPA-6.65)

Bachelor of Computer Application

GSHEB (2021) - (57%)

Higher Secondary Certificate

GSEB (2019) - (59%)

Secondary School Certificate

Uka Tarsadia University (2026) - (CGPA-7.51)

Master of Computer Application

PROJECTS

Campus Bus Management System (Mar -2025)

Technology - Flutter, Node Js Backend

- Developed a Flutter-based Campus Bus Management app featuring real-time bus tracking, face recognition attendance, and secure online fee payment.
- Integrated student, driver, and admin modules using Firebase backend and Google Maps API for seamless and efficient operations. (Work in Progress)

Blood Management System (Apr-2025)

Technology - Laravel Framework

- Developed a Laravel-based Blood Management System with role-based modules to manage donors, blood inventory, and requests efficiently.

Online Food Ordering System (Apr-2025)

Technology - Flutter

- Developed an Online Food Ordering System Flutter app enabling users to browse menus, place orders, and track deliveries seamlessly.

Online Food Ordering System (Nov-2023)

Technology - PHP, MYSQL

- The Online Food Ordering System's main purpose is to maintain track of information such as Item Category, Food, Delivery Address, Order, and Shopping Cart.
